

# GIFT

## Charitable Gift (100% Tax Deductible)

Your charitable gift helps the Club keep its doors open every day to serve those youth who need us most. Your gift will help children and teens build academic success, healthy lifestyles and good character and citizenship.

Please note your charitable gift amount: \$ \_\_\_\_\_

## Challenge Gift (100% Tax Deductible)

Double your investment and challenge others to give when you make a Challenge Gift. Your challenge gift will be used to jump-start a campaign and raise more money than would otherwise be possible. Challenge gifts will offer donors the opportunity to have their gifts matched dollar-for-dollar. Donors appreciate challenge gifts and so do our Club youth who benefit from the added support.

### Three campaign options:

**Great Futures Annual Campaign** encourages committed donors to help raise funds that sustain the Club through a year of operations. **Goal:** \$20,000 challenge gift

**Give to the Max Day**, a one-day, state-wide give-a-thon held in November to encourage Minnesotans to support their favorite causes. The Club sets a challenge goal and makes it easy for donors to give online or in person. **Goal:** \$10,000 challenge gift

**Holiday Appeal**, a year-end campaign that highlights a Club success story and invites donors to invest in our Club youth as we celebrate the holidays. **Goal:** \$15,000 challenge gift
