

INVEST

When you invest in the Club, you provide kids:

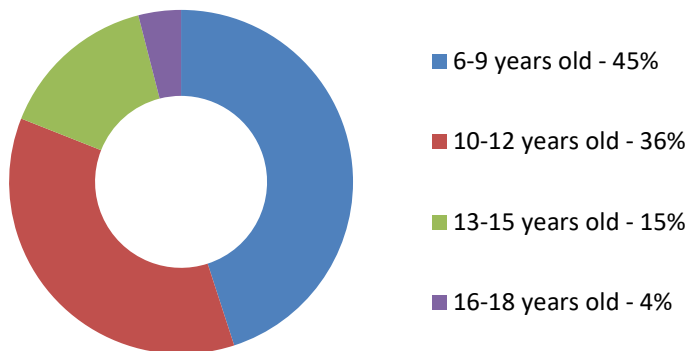

- **A safe place**, particularly for kids and teens who may be left alone after school
- **A daily dose of fun** to keep kids coming back
- **Life-enhancing programs** that help kids explore new ideas and possibilities
- **Caring professionals** who build supportive relationships with kids
- **Hope and opportunity** to build self-confidence and brighter futures

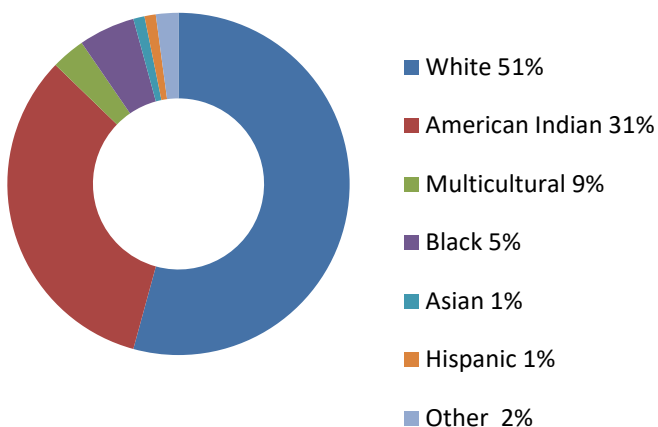

Your investment allows the Club to keep its doors open to every child and teen, ages 6-18, who chooses to attend. It costs about \$850 a year to fund one member, yet the Club charges only \$25 a year so that no one is ever turned away. Nearly half of Club members come from families living below the poverty line.
