

Attention Parents!

SUMMER MORNING PROGRAM IS HERE!

AUGUST 1ST-SEPTEMBER 2ND

7:30 AM- 12:30 PM (M-F)

This exciting opportunity, which is fee based, was designed and modeled from feedback gathered from over 100 Club families. In order to make this expansion a reality, parents overwhelmingly expressed a willingness to pay the cost of this morning program. Scholarships are planned to be available on a limited basis.

The existing afternoon Club program will continue to be available to all members for NO additional cost.

Registration materials will be available by Monday, July 18th.

The cost will be \$100 per child per week or \$25 per day. All fees must be prepaid.

Open to 1st-7th grade youth (older youth may be able to volunteer).

The daily cap is 60 kids. Priority will go to existing Club members and those who sign up for full weeks.

Daily and weekly activity calendars will be finalized soon.

Breakfast will not be provided. A morning snack will be offered.
